FURDI'S HOMES RECEIVES CHAMBER RECOGNITION FOR 30 YEARS OF SERVICE

April 3, 2009. Furdi's Modular Homes of Fulton recently received recognition from the Greater Fulton-Oswego Area Chamber of Commerce for 30 years of doing business. Furdi's was built from the ground up by Lee and Patrick Furlong, Sr. in the basement of their home in 1979. The business took off and the couple eventually outgrew their home-based business and built a new store located at 23 Furlong Drive. Furdi's has grown to become one of the largest builders of modular and manufactured homes in the County of Oswego, building upwards of 125 homes in the last 5 years and 750+ homes over the last 30 years. The business to this day is still family-owned and operated by brothers Patrick Furlong, Jr. and Greg Furlong and has grown from a staff of 2 to a staff of up to 12, most recently adding Office Administrator, Jodi Marvin and Administrative Assistant, Kathy Kelly. The company works hand-in-hand with their clients to customize their dream home to meet their lifestyles and budgets, providing total design of their homes or providing construction at various stages of the building process, allowing clients to choose for themselves. Furdi's prides themselves on superb quality and customer service. The company not only builds modular homes and sells manufactured homes including new and used doublewides and singlewides, but also sells hard-to-find parts and supplies for mobile homes at their location in Granby, where the company originally formed. Their offices expanded in 2000 to an additional location on State Route 3 in Volney where fully furnished doublewide and singlewide models can be toured by homebuyers and where credit applications can be processed. The company is excited about their newly updated web site at www.furdi.com and is looking forward to eventually offering the mobile home parts and supplies online as well.

In recognition of Factory-Built Housing Week April 18-26 (*Factory-Built Homes, Built for Life*), Furdi's will be holding a Spring Open House at the Volney Office, 2920 St. Rte. 3 on Sat., Apr. 25 from 10 am – 4 pm and Sun., Apr. 26 from 10 am – 2 pm. Home tours will be conducted, free hotdogs and soda will be served, and factory and finance representatives will be on hand to answer questions.
